RE: Account No. 4413195, Public Service Commission/Coyote
Creek Mining Company, LLC, Escrow Account – NOV-1502

Dear Ms. Niegum:

In early September the Public Service Commission opened Escrow Account No. 4413195 for the \$3,000 proposed penalty paid by the Coyote Creek Mining Company, LLC, for Notice of Violation No. 1502, PSC Case No. RC-15-495. On September 28, the Commission adopted a formal hearing order that reduced the penalty to \$1,000. The thirty-day period for appealing this decision has now expired. Therefore, the escrow account can now be closed and the funds need to be disturbed to the Commission and the Coyote Creek Mining Company, LCC. We request that a check be issued to Commission for \$1,000, plus one-third of the earned interest, and a second check be issued to the Coyote Creek Mining Company, LLC, for \$2,000, plus two-thirds of the earned interest.

Thank you for your assistance on this matter.

Sincerely,

Julie Fedorchak
Chairman
Public Service Commission
