NOTICE OF RECEIPT OF RENEWAL AND REVISION APPLICATIONS

September 2, 2015

Leonardite Products LLC has filed applications to renew and revise Surface Coal Mining Permit No. GRGR-0501 covering lands located in:

A portion of the W½ of Section 8 of T154N, R100W, of Williams County, North Dakota containing 111.15 acres.

The five-year permit renewal will allow Leonardite Products LLC to continue operating within the existing permit area until November 2, 2020. The revision application identifies the next five-year coal removal subarea and also updates other information in the permit including legal requirements, environmental resources, operation and reclamation plans, and the worst case reclamation cost estimate. The renewal and revision applications and surface coal mining and reclamation permit may be inspected at:

Public Service Commission

You may submit written comments or objections on the proposed permit renewal and revision applications and their effects on the environment and on surface owners of land in the permit area. You may request an informal conference with the Commission and the applicant on the renewal and revision applications. The reason for requesting an informal conference must be stated in the request. Written comments, objections, or requests for informal conference must be made by October 5, 2015.

If there is an informal conference, you may request a formal administrative hearing on the Commission's ruling on the application. Your request for a formal hearing must be made within thirty days of the Commission ruling on the application.

Written comments, objections, or requests for informal conferences should be addressed to the Public Service Commission, 600 East Boulevard, Dept. 408, Bismarck, North Dakota 58505-0480. For more information you may contact the Public Service Commission at 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY.
