RE: Grain Warehouse Licenses

Dear Mr. Parenteau:

On July 29, 2015, the Commission passed a motion approving the grain warehouse license applications for Larson Grain Company in Fredonia, Linton, and Wishek. Enclosed are your North Dakota Grain Warehouse Licenses and relevant documents for the elevators at Fredonia, Linton, and Wishek, North Dakota. The license and each of the colored posters must be displayed at each facility in an area easily visible by patrons.

State law requires licensees submit monthly reports within 30 days of the end of each month. The following grain movement numbers have been assigned: Fredonia - 2079, Linton - 3538, Wishek - 6359. This number must be used on all monthly report forms which are available on the Commission's website at <http://psc.nd.gov/forms/grain/grain-movement-and-storage-report.pdf> or the forms can be filed electronically at <http://www.ugpti.org/grain/>.

Legislation makes the information contained in these reports **CONFIDENTIAL**. Information on individual licensees cannot be released to non-governmental entities without the permission of the licensee.

Thank you and if you have any questions, please call me at 701-328-4070.

Sincerely,

Shelly A. Bauske
