Per our conversation this morning regarding your Variance Permit Request, please provide the following information:

- 1) Scale Serial Number
- 2) Distance between the scale deck and the inside of the doorsill (for each end of the scale)
- 3) Concrete approach length adjacent to scale (for each end of the scale)
- 4) Total approach length (for each end of the scale)
- 5) Slope of the concrete approach (for each end of the scale)
- 6) Slope of the remainder of the approach (for each end of the scale)
- 7) Clearance from the finished floorline of the scale pit to the bottom of the "I" beams of the scale bridge (provide the dimension of the least amount of clearance)
- 8) Detailed information showing that compliance with current regulations will cause economic hardship
