**Strain Load Test**

Section (Increasing or Decreasing) <b>Section 3/4 Increasing</b>	Remarks (include environmental conditions, if applicable). Attach additional sheets as necessary.
Full Truck Weight <b>62,140 lbs</b>	<b>Customer contacted Prairie Scales regarding questionable weights with truck scale. Arrived at location, found scale to be clean, pit to be clean and scale to move freely. Tested scale and found scale to be in tolerance. Did make slight adjustments to section four. Strain tested over receiving pit, found scale to work well at this time.</b>
Test Weight <b>20,000 lbs</b>
