Project: Sacagawea Pipeline Company, LLC
12-inch Crude Oil Pipeline – Mountrail County
Case No.: PU-15-670

The Commission's February 10, 2016, Findings of Fact, Conclusions of Law and Order issued Certificate of Corridor Compatibility No. 180 and Route Permit No. 192 to Sacagawea Pipeline Company, LLC (Sacagawea Pipeline) for the Project

Reclamation and Revegetation

On February 14, 2019, the Commission's third-party inspector filed with the Commission a Reclamation and Revegetation Inspection Report regarding the Project. The Report may be viewed at <https://psc.nd.gov/database/documents/15-0670/062-010.pdf>.

Page 2 of the Report mentions areas of thin vegetation growth not matching or not consistent with surrounding conditions. The Commission's inspector thought these areas of concern might improve with time.

Commission Staff asks that, by January 29, 2022, Sacagawea Pipeline respond in writing to the Commission stating the current condition of the areas identified in the Report and actions that have or will be taken to resolve the concerns noted in the Report.
