Mr. Clark,

Thanks for your time this afternoon. The project area in question is illustrated in the attached map. The alignment is located in T. 139N, R. 50W, section 4 and 9 and in T. 140N, R. 50W sections 9, 10, 15 21, 22, 28, 29, and 33.

We need to know if the project is located within 1,200 feet of the geographic center of an intercontinental ballistic missile launch or launch control facility. Let me know if you need more detailed information.

Thanks again for your time,

Mike Sobiech
