Dear Mr. Fahn:

I am the Vice President of Dickinson Wind, LLC ("Dickinson Wind"), which has changed its name to Brady Wind, LLC ("Brady Wind"). On December 4, 2015, Brady Wind filed its Application for a Certificate of Site Compatibility for the Brady Wind Energy Center ("Application"). The cover letter of the Application references the filing fees of \$100,000 each that Dickinson Wind provided for its applications in Case Nos. PU-15-111 and PU-15-133. Both of these applications have been withdrawn.

I understand that there is \$99,162.41 remaining of the Case No. PU-15-111 filing fee, and that there is \$98,519.41 remaining of the Case No. PU-15-133 filing fee. I request that a total of \$100,000 from these accounts be used for the filing fee for the Brady Wind Application filed on December 4, 2015.

Please contact Melissa Hochmuth at 561-694-4638 or melissa.hochmuth@nexteraenergy.com should you have any questions.
