**Re: Brady Wind, LLC, Case Nos. PU-15-690 and PU-15-797**

Dear Mr. Nitschke:

On April 14, 2016, the Concerned Citizens of Stark County ("CCSC") filed a motion pursuant to N.D. Admin. Code 69-02-04-07 to allow for the furnishing and service of a late filed exhibit with the North Dakota Public Service Commission (the "Commission"). Assuming that Administrative Law Judge Ward grants the motion, we are providing you seven copies of the enclosed exhibit to avoid any unnecessary delay in its filing. We have marked the exhibit as "Exhibit Z" and the four pages have the following bates label: BRADYWIND 00826, BRADYWIND 00829, BRADYWIND 00833, and BRADYWIND 00865.

Please note that the exhibit is subject to a confidentiality agreement and N.D. Admin. Code 69-02-09-09. The exhibit is being filed in a sealed envelop and is marked "PROTECTED INFORMATION – PRIVATE." If Judge Ward denies the motion of CCSC, please destroy the envelop without opening it.

Copies of the exhibits have not been provided to Messrs. Bjella and Pelham. They may contact me to make arrangements for receiving a copy.

Please contact me with any questions.

Very truly yours,

  
Matthew T. Collins
