Dear Illona:

Since the above-referenced matters have been concluded, this will end our representation of the PSC on these matters at this time and we will close these files. If additional work is required, we can easily reopen the files.

It is the practice of this law firm to destroy files seven years after closing the file. Unless we receive direction from you to the contrary within 30 days of the date of this letter, we will assume that you do not object to this action.

Thank you for allowing our firm to be of service to you.
