RE: ONEOK Bakken NGL, L.L.C. – Garden Creek 16" Loop Pipeline
Project Notification and Request for Review

Dear Milton Tim Madison and Clarice Marcella Madison,

Please review the attached site map noting the proposed location of an underground pipeline and associated facilities that are included in the Garden Creek 16" Loop Pipeline application that ONEOK Bakken NGL, L.L.C. (ONEOK) intends to file the North Dakota Public Service Commission. The Project involves the construction of approximately 14.4 miles of 16-inch-diameter steel pipeline in McKenzie County, North Dakota. The Project will be co-located with existing utility right-of-way for approximately 12.8 miles, with the remaining 1.6 miles involving new development.

The attached site map indicates that the Project will be located within 500 feet of your residence or business. By signing below you are confirming that you have no objection to the Project, or the future operation and maintenance of the pipeline. Your cordial cooperation in this manner is greatly appreciated.

Respectfully
