Oil Pipeline Tariff Filing

E-FILED

SPECIAL PERMISSION REQUESTED

North Dakota Public Service Commission
State Capital – 12th Floor
Bismark, ND 58505 - 0480
Attn: Public Utility Division

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) is the following tariff issued by North Dakota Pipeline Company LLC (North Dakota Pipeline):

- NDPSC Tariff No. 21, canceling NDPSC Tariff No. 20

This tariff bears an issuance date of October 19, 2015 and an effective date of December 1, 2015.

Explanation of Tariff Filing

NDPSC Tariff No. 21 establishes a new delivery point at Minot (Ward County), ND with rates from all upstream receipt points, including, as applicable, volume discounted rates (see Tables 6 and 7). Shippers will be entitled to pay the volume discounted rates to Minot (Ward County), ND if they meet the Minimum Tender Volume requirement¹ and re-originate such barrels for further transportation to Clearbrook, Clearwater County, MN. Pursuant to 18 C.F.R. 342.2(b), attached to this filing is the affidavit of Feisal Gazie attesting that the rates have been agreed to by at least one non-affiliated shipper who intends to use the services in question.

Fourth Section Relief

Pursuant to 18 C.F.R. 341.15 (Long and Short Haul of Aggregate or Intermediate Rates), North Dakota Pipeline requests relief from Section 4 of the Interstate Commerce Act (ICA) to establish

¹ See North Dakota Pipeline LLC, NDPSC Tariff No. 19.

certain volume discounted rates to Minot (Ward County), ND. The initial volume discounted rates to Minot fall below certain transportation rates from the same origin points to delivery points upstream of Minot at Beaver Lodge, Stanley and, as segmented, to Berthold. Accordingly, relief from ICA Section 4 is required in order to establish the aforementioned rates. Attached hereto is NDPL's Fourth Section Relief Application in support of the requested relief.

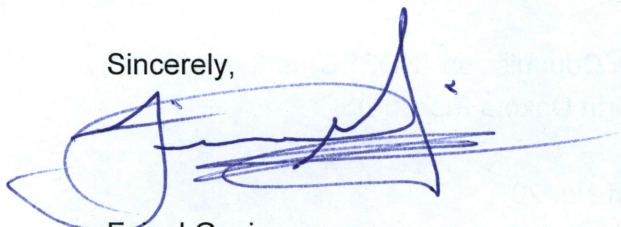

Notification

I hereby certify that the North Dakota Pipeline has, on or before this date, provided copies of the above tariff to each person on the North Dakota Pipeline subscriber list by electronic means or by other means agreed upon.

Pursuant to 18 C.F.R. 343.3 of the Federal Energy Regulatory Commission's regulations, it is requested that any protest related to this tariff filing be sent via email to Enbridge-Tariffs@enbridge.com.
