RE: Discontinue Business
Archer Daniels Midland Co. – Pingree, ND

The Commission received a Request to Discontinue Business from Archer Daniels Midland Co. (ADM), Decatur, IL, for its warehouse at Pingree, North Dakota. ADM leased the Pingree facility from Glinz Grain and established a license to receive corn for delivery to its Rogers, North Dakota warehouse. All ADM grain in the Pingree facility has been purchased and is owned by ADM.

Glinz Grain, LLC licensed this facility at Pingree under a United States Warehouse Act license and applied for a corresponding facility-based grain buyer license.

I recommend the request be approved. A corresponding motion and order are attached.
