December 22, 2015

Mr. James R. Deutsch, Director  
Reclamation Division  
Public Service Commission (via INSIDE MAIL)  
600 East Boulevard Avenue, Dept. 408  
Bismarck, ND 58505

Dear Mr. Deutsch:

In a December 7, 2015 letter, you requested a review of Revision Number 35 and Renewal Number 6 to Falkirk Mine Permit NAFK-8405 by the State Engineer. Review of mine permits with regards to groundwater and wells is made by a hydrologist in the Water Appropriations Division. Revision Number 35/Renewal Number 6 involve matters other than groundwater and wells, and I therefore have no further comment.

Sincerely,

Jennifer Weier  
Hydrologist Manager
