### **Investigation Summary**

Based on its investigation, Staff concluded that on November 3, 2015, Guthmiller personnel began an excavation as defined under North Dakota Century Code section 49-23-01(7) while performing parking lot upgrades at 4000 Hwy 281 SE, Jamestown, North Dakota. At no time during this excavation project did Guthmiller personnel call in an excavation notice.

Based on its investigation, Staff concluded that there was no agreement between Guthmiller and MDU under North Dakota Century Code section 49-23-04(1) prior to excavation that would relieve Guthmiller of its obligation to provide excavation notice at least forty-eight hours before the excavation.

Based on its investigation, Staff concluded that the excavation was not being made in a time of emergency under North Dakota Century Code section 49-23-04(4), allowing the excavator to give notification after the start of the excavation.

Based on its investigation, Staff concluded that Guthmiller violated North Dakota Century Code section 49-23-04(1) by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.
