Oil Pipeline Tariff Filing

E-FILED

North Dakota Public Service Commission
State Capital – 12th Floor
Bismark, ND 58505 - 0480
Attn: Public Utility Division

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) is the following tariff issued by North Dakota Pipeline Company LLC (North Dakota Pipeline):

- NDPSC Tariff No. 22, canceling NDPSC Tariff No. 21

This tariff bears an issuance date of November 12, 2015 and an effective date of December 16, 2015.

Explanation of Tariff Filing

NDPSC Tariff No. 22 cancels the trunk line transportation rates from Glenburn (Renville County), ND and Newburg (Bottineau County), ND to Clearbrook, Clearwater County, MN (Table 1) and the gathering rate from Newburg Area, ND to Newburg (Bottineau County), ND (Table 8). After a thorough review and consultation with shippers North Dakota Pipeline determined that it will no longer provide the aforementioned transportation services at those locations.

Affected shippers were provided formal written notification on October 14, 2015 informing them of the proposed deactivations.

Additionally, NDPSC Tariff No. 22 adds wording to the heading of Table 7 in order to clarify that the volume discounted rates to Minot (Ward County), ND are available for Shippers that re-originate their volumes for further transportation to Clearbrook, Clearwater County, MN.
