

**AMENDED CERTIFICATION OF APPLICATION PURSUANT TO  
NORTH DAKOTA CENTURY CODE §49-22-16.3**

**Oasis Midstream Services, LLC  
Case No. PU-15-733**

I, Antonio Macia, a duly authorized agent of Oasis Midstream Services, LLC (“Company”), do hereby certify under oath:

1. In an order dated March 23, 2016 in the captioned matter, the Public Service Commission (“PSC”) approved Certificate of Corridor Compatibility No. 183 (the “Corridor Certificate”) and Route Permit No. 195 (the “Permit”) for the construction, operation and maintenance of a 19 mile long crude oil transmission pipeline.
2. As a result of a constructability analysis of the pipeline alignment, it was determined by the Company that a minor adjustment is required. The route adjustment is shown in detail on the route maps attached hereto as Attachment 1 and as detailed below.
  - a. Route Adjustment at project milepost 6.6: Design modification associated with pipeline installation via bore.
3. The route adjustment is within the designated corridor.
4. Construction activities will not affect any known exclusion or avoidance areas within the designated corridor.
5. The Company will continue to comply with the Commission’s order, law and rules designating the corridor and designating the route.

Dated this 10<sup>th</sup> day of June 2016.
