

**CERTIFICATION OF APPLICATION PURSUANT TO
NORTH DAKOTA CENTURY CODE §49-22-16.1**

**Oasis Midstream Services, LLC
Case No. PU-15-733**

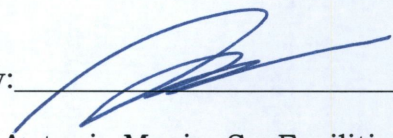

I, Antonio Macia, a representative of Oasis Midstream Services, LLC ("Company" with authority to bind the Company), do hereby certify under oath:

1. In an order dated March 23, 2016 in the captioned matter, the Public Service Commission ("PSC") approved Certificate of Corridor Compatibility No. 183 (the "Corridor Certificate") and Route Permit No. 195 (the "Permit") for the construction, operation and maintenance of a 19 mile long crude oil transmission pipeline.
2. As a result of a constructability analysis of the pipeline alignment, it was determined by the Company that a minor adjustment is required. The route adjustment is shown in detail on the route maps attached hereto as Attachment 1 and as detailed below.
 - a. Route adjustment of the southern portion of Lateral 1: Alignment modification requested by landowner (i.e.; terminal operator).
3. The route adjustment is within the designated corridor.
4. Construction activities will not affect any known exclusion or avoidance areas within the designated corridor.
5. The Company will continue to comply with the Commission's order, law and rules designating the corridor and designating the route.

Dated this 28 day of July 2016.
