Tree and Shrub Mitigation Plan

Date: August 18, 2017

On July 31, 2017, Oasis Midstream Services LLC filed a tree and shrub mitigation plan in compliance with the Commission's Orders and the Certification Relating to Order Provisions, Transmission Facility Siting with accompanying Tree and Shrub Mitigation Specifications that the Company signed for this project.

The Company stated that a total of 1,192 trees and shrubs were removed. As a result, the Company plans to plant a total of 2,284 trees and shrubs. The Company will coordinate with affected landowners and conduct preliminary site preparation this fall and then plant in the spring of 2018. The Company will utilize the McKenzie County Soil Conservation District to facilitate landowner coordination, site preparation and replacement planting.

Staff recommends the plan be approved. A motion to approve the plan will be on the agenda for your consideration at the September 6, 2017 Commission meeting.
