RE: Roving Grain Buyer License
CB Procurement LLC

CB Procurement LLC, a Delaware foreign limited liability company (ND Secretary of State business records search shows the nature of business as barley purchase.) filed a license application to operate as a roving grain buyer in North Dakota. The license applicant projects its annual grain purchase volume in North Dakota will be approximately 30,000 bushels and filed the required \$50,000 surety bond.

CB Procurement LLC is a subsidiary of Constellation Brands, a producer and marketer of numerous wine, spirits and beer products such as Corona, Modelo, and others. CB Procurement LLC is purchasing barley in North Dakota for brewing into beer. CB Procurement LLC notified the Commission it has not operated as a roving grain buyer in North Dakota.
