**Subject:** RE: Variance Request

I looked at this scale and would recommend a variance for the 8" of clearance. Everything else seemed to meet requirements. (see pictures, in TML)

**Subject:** FW: Variance Request

Hi Wayne

Please stop at this location to check out this variance request and take pictures as requested below.

Thank you!

**Subject:** RE: Variance Request

Looks good but I'd like to have Wayne make a site visit. Pictures of the surrounding area as stated in the letter would be helpful.

Thanks,  
Josh
