Dear Mr. Frye:

This is to inform you that the Reclamation Division has completed its review of the applications for Renewal No. 4 and Revision No. 27 to Permit NAFK-9503. We are prepared to recommend Commission approval of these applications at the April 5, 2016 Commission meeting. However, before Commission action can be taken on these applications, Falkirk must update the sections containing the ownership and control and compliance information required by NDAC 69-05.2-06-01(2) and 69-05.2-06-02(6), or **certify, under oath and in writing**, that the current information is **accurate, complete and up to date**. Any updated information will be subject to an evaluation of OSM's Applicant Violator System prior to permit approval. This information must be filed with our office no later than 5:00 pm Friday, April 1st.

If you have any questions, please contact this office.

Sincerely,
