Shelly,

We have some weight kits that were just calibrated that we will be swapping as soon as we get them back from the lab. I'll email you the new calibration reports as soon as possible, which should be by the end of next week.

Thanks,

Good Morning Dave

I'm just checking on the status of the current calibration reports for the weight kits used in North Dakota.

Thank you!

Email – metrology status update

NCR Corporation

Shelly,

Attached is or 2016 North Dakota Registered Service Company Renewal application. We currently only have two technicians registered in North Dakota. Both technicians are in the process of having their weight kits calibrated. I will email you the current calibration reports as soon as we get them back. Please feel free to contact me if you have any questions.

Thanks,

David Boykin
