Shelly,

Jesse Simpson responded and said he shipped his weight kit to the Minnesota Metrology Lab last week. I'll send you his new calibration report as soon as he gets it back.

Thanks,

Shelly,

Sorry for the delay in responding, unfortunately we only had one Combo weight kit to swap out. Attached is the calibration report for the weight kit assigned to Erich Johnson. Jesse Simpson was instructed to contact the Minnesota Metrology Lab and make arrangements to have his weight kit calibrated. I will follow up with him and update you when I have a response.

Thanks,

Shelly,

We have some weight kits that were just calibrated that we will be swapping as soon as we get them back from the lab. I'll email you the new calibration reports as soon as possible, which should be by the end of next week.

Thanks,

Shelly,

Attached is or 2016 North Dakota Registered Service Company Renewal application. We currently only have two technicians registered in North Dakota. Both technicians are in the process of having their weight kits calibrated. I will email you the current calibration reports as soon as we get them back. Please feel free to contact me if you have any questions.
