Joshua C. Gallion
Weights and Measures Division

**ADDENDUM TO REGISTERED SERVICE COMPANY ANNUAL PERMIT
Prairie Scale Systems, Inc.
Expires: February 3, 2017**

Based on the National Institute of Standards and Technology Scope for the South Dakota Laboratory, all weights less than 100 mg are not certified for testing and approving a device for use in commerce.

United States Department of Commerce

National Institute of Standards and Technology

Certificate of Metrological Traceability For:

South Dakota

This laboratory has demonstrated evidence of an unbroken chain of metrological traceability of its standards to the international system of units (SI), documented measurement uncertainties, uses documented measurement procedures, successfully completed training and proficiency tests, documented calibration intervals, submitted a quality management system, and demonstrated suitable measurement assurance for the Scope listed on this certificate.

The Office of Weights and Measures Program assesses laboratories to NIST Handbook 143 - Program Handbook for State Weights and Measures Laboratories and ISO/IEC 17025:2005.
