Hi Shelly, I got your email and will send the Calibration Reports when the weight are completed. They are waiting for certification.

Sorry for delay

Thanks

Good Morning Randy

On December 18, 2015, I received your Application for Registration as a Registered Service Company. Included with the application were Calibration Reports dated January and February 2015. Please email me current 2016 Calibration Reports or an update on the status of the current metrology.

Thank you!
