Prover Location:

Kinder Morgan Cochin LLC
7605 Hwy 200
Carrington ND 58421

Prover Information:

Unidirectional
Serial Number E-6409

Variance Permit Request To:

Use the unidirectional prover enumerated above as a standard to certify Kinder Morgan's commercial measuring devices. This prover is not certified as traceable by a NIST-recognized metrology laboratory [N.D. Admin. Code §.69-10-03-02].

Temporary Variance Permit Conditions:

- The unidirectional prover must be tested at least once every three years by a third party using the water draw method and using testing equipment that is traceable to and certified by a NIST-recognized metrology laboratory. The prover must be certified as compliant with American Petroleum Institute standards for atmospheric tank provers.
- The Commission must be notified at least 10 days prior to commencement of a prover test to allow a representative of the Commission the option to witness the testing process.
