Pat-
Yesterday Brady Wind LLC filed an application for a corridor certificate and route permit for a transmission line. In the cover letter we again asked that the filing fees for the Dickinson Wind projects be used for this new project. Attached is a letter from Dickinson Wind LLC approving and supporting the transfer of the filing fees. Thanks.
Brian

E-mail with attachment regarding filing fee

December 18, 2015

Pat Fahn
North Dakota Public Service Commission

Dear Mr. Fahn:

I am the Vice President of Dickinson Wind, LLC ("Dickinson Wind"), which has changed its name to Brady Wind, LLC ("Brady Wind"). On December 17, 2015, Brady Wind filed its Consolidated Application to the North Dakota Public Service Commission for a Waiver or Reduction of Procedures and Time Schedules and Certificate of Corridor Compatibility and Transmission Facility Route Permit ("Application"). As referenced in the cover letter to that Application, the filing fee for this Application is \$60,000.

The cover letter of the Application references the filing fee of \$100,000 each that Dickinson Wind provided for its applications in Case Nos. PU-15-111 and PU-15-133. Both of these applications have been withdrawn.

I understand that after deducting the \$100,000 filing fee for the Application for a Certificate of Site Compatibility for the Brady Wind Energy Center filed on December 4, 2015, there will be \$97,681.82 remaining of the Case No. PU-15-111 and Case No. PU-15-133 filing fees. I request that a total of \$60,000 from these accounts be used for the filing fee for the Application filed on December 17, 2015. I also request that the remaining Dickinson Wind filing fees be refunded to Dickinson Wind.

Please contact Melissa Hochmuth at 561-694-4638 or melissa.hochmuth@nexteraenergy.com should you have any questions.

Best regards,
