**ALJ RECOMMENDATION TO GRANT REQUEST TO WITHDRAW
CONSOLIDATED APPLICATION**

This administrative law judge was appointed as a substantive administrative law judge by the Public Service Commission to conduct a hearing and make a recommended decision including Findings of Fact, Conclusions of Law and Recommended Order in this case. The hearing was held in this matter as scheduled after due notice at NDSU in Fargo on March 29, 2016. Thereafter, the Raymond Township Board of Supervisors chose not to grant zoning approval for the location that was anticipated by Cenex Pipeline, LLC ("Cenex") at the time of the hearing.

Cenex has therefore decided not to pursue the location set forth in the application at this time and is considering other options. Pursuant to North Dakota Administrative Code § 69-02-02-07(2), Cenex has submitted a request to withdraw its consolidated application for a certificate of corridor compatibility and route permit and waiver as was requested in case no. PU-15-798.

For all of the above reasons, I hereby recommend that the Commission grant the withdrawal of the consolidated application as requested pursuant to § 69-02-02-07(2) in this matter.

Dated this 11th day of May, 2016.
