Subject: Utility Strike Case # PU-15-799

Victor,

Attached is a letter I received from you in regards to utility strike PU-15-799. The letter states to respond to Darrell Nitschke, but I was unable to locate his contact information. I wanted to let you know that we will be mailing a check this week to WBI Energy in the amount of \$41,261.50. Please let me know if you need anything else from me now or in the future.

Thank you,
Ryan Minnerath

Re: One-Call Excavation Notice System: North Dakota Century Code Chapter 49-23

Dear Mr. Minnerath:

Enclosed is a copy of a ND One-Call Complaint, with attachments, against Central Specialties, Inc., received by the North Dakota Public Service Commission on December 23, 2015, from Kent Kahl, at WBI Energy, of Bismarck, ND, Case Number PU-15-799. The location of the damage identified in the complaint is approximately Highway 85 Right of Way, 5 miles south of Williston, ND.

I am sending you this information so that you are aware of the Complaint and have an opportunity to present any information you may have to assist us in processing this case. **Please respond to Darrell Nitschke, Executive Secretary, North Dakota Public Service Commission, by January 13, 2016, with your written account of the event, including the applicable One Call locate ticket number for work performed at the address indicated.**

I will review your response, the ND One-Call Complaint, and other available information to determine the next step in this matter. If I conclude there was a violation of the One Call law, I may file a formal complaint with the Commission. If I decide to proceed with a formal complaint, I will attempt to contact you in advance.

Please contact me at 701-328-3397 or at vschock@nd.gov with any questions regarding this correspondence.

Sincerely,

A handwritten signature in black ink, appearing to read "V. Schock", written over a horizontal line.

--

Location of Violation:

Hwy 85 right of way, 5 miles south of Williston

Date and Time of Violation:

November 3rd, 2014 @ 13:43 CT

Description (summarize the observations on which you rely to allege the violation) *If more space is required, please provide the description on a separate page.*

Central Specialties was operating a D-8 dozer performing leveling/grading work in the existing highway right-of-way adjacent to North Dakota State Highway 85 approximately 5 miles south of Williston, ND. The D-8 struck and punctured WBI Energy's (WBI) 12" steel, high pressure, natural gas transmission line. This work was being performed for the Highway 85 reconstruction project that has been ongoing in the area.

The last locate request by Central Specialties for the area of work involved was put in on 10/2/14 and located on 10/6/14 by WBI, NTMS ticket no. 14179562. The locate ticket 14179562 expired on 10/27/14; therefore, the excavation work being performed did not have a valid one-call ticket.

PART D – DAMAGE

Fatalities NA	Injuries NA	In-patient Hospitalization NA
Underground facility type(s) and Operator(s) affected: Steel natural gas transmission pipeline.		
Estimated Value of Damage (damage as defined under NDCC Chapter 49-23): \$ \$41,261.50	Number of Customers Affected 3	
Other impact of event: Several WBI personnel were involved with repairing the damaged pipeline and returning it to service. During the repair, the pipeline had to be taken out of service so the damaged section could be removed and replaced. Highway 85 was also closed for several hours during the repair process which required highway personnel and local emergency responders.		
Please attach photos of Event Area or Damaged Facility
