RE: **PU-15-801 ONEOK Bakken Pipeline, L.L.C.
8-inch NGL Pipeline – McKenzie and Dunn Counties
Siting Application**

Thank you for your July 1, 2016 filing notifying the Commission of ONEOK Bakken Pipeline, L.L.C.'s intent to adjust the route of the 8-inch Bear Creek NGL Pipeline, currently under construction, within the corridor designated by the Commission in Case No. PU-15-801.

This letter acknowledges that the Commission has received ONEOK Bakken Pipeline, L.L.C.'s filing of written certifications under North Dakota Century Code section 49-22-16.3(2) for the project. ONEOK certifies that the route adjustment will impact an avoidance area consisting of an area of geological instability between mileposts 8.8 and 9.5. ONEOK certifies that the Commission's March 23, 2016 Findings of Fact, Conclusions of Law and Order authorized that ONEOK may impact the avoidance area.

This letter also acknowledges that the Commission has received ONEOK Bakken Pipeline, L.L.C.'s filing of written certifications under North Dakota Century Code section 49-22-16.3(1) for the project.

Sincerely,

Sara Cardwell
Public Utility Analyst
