Re: Otter Tail Power Company
PU-16-14
OAH No. 20160181

Dear Mr. Nitschke,

Please find enclosed the hearing record in the above matter. The hearing on April 27, 2016 was left open for the purpose of receiving a late filed exhibit from Otter Tail regarding decommissioning costs. I have not yet received that late filed exhibit, but I understand the commissioners may be meeting this week to discuss this case and so I am enclosing an Exhibit List reflecting the exhibits offered and admitted in this proceeding thus far. I also note that the commissioners took official notice of the March 31, 2016 filing and findings in the Table on Page 12 of the Application in the Matter of Otter Tail Power Company's Application for Approval of the Annual Update of Environmental Cost Recovery Rider Charge in PU-16-148.

Upon receipt of the late-filed exhibit, the hearing will close.

Thank you.
