Re: Response to Otter Tail Power Company's Compliance Filing
Renewable Resource Cost Recovery Adjustment Factor
Case No. PU-16-14

On June 22, 2016, the commission issued an Order approving Otter Tail Power Company's (Otter Tail) updated 2016 Renewable Resource Cost Recovery Adjustment Factor.

On June 30, 2016, Otter Tail filed a compliance filing to update its proposed tariff to include the date of the Order and the effective date of the tariff.

Staff has reviewed Otter Tail's proposed Tariff noting the revisions are in accordance with the commission's Order. The additions of the two dates are correct. Staff appreciates Otter Tail's filing of a completed tariff with the dates. No further action by the commission is necessary.
