**4005 Rural Broadband Experiment**

Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations, provide a list of newly served community anchor institutions, and provide a list of locations where broadband has been deployed.

**Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)**

Please address Line 4001 regarding compliance with the Commission's public interest obligations. All RBE participants must provide a response to Line 4001.

**4001.** Recipient certifies that it is offering broadband to the identified locations meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas?

Yes

**Community Anchor Institutions – FCC 14-98 (paragraph 79)**

**4003a.** RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

Yes - Attach new community anchors

If yes to 4003A, please provide a response for 4003B.

**4003b.** Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year.

**Consolidated Communications Network Inc.'s Demonstration of Compliance with  
Applicable Service Quality Standards and Consumer Protection Rules:**

In establishing this certification in its *2005 ETC Order*,<sup>1</sup> the FCC found that an ETC must make “a specific commitment to objective measures to protect consumers.”<sup>2</sup> The FCC found that for wireless ETCs, compliance with CTIA’s Consumer Code for Wireless Service would satisfy this requirement” and that the sufficiency of other commitments would be considered on a case-by-case basis.<sup>3</sup> In this context, the FCC stated, “to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement.”<sup>4</sup>

Consolidated Communications Network Inc. (“Company”) hereby certifies that it is complying with applicable service quality standards and consumer protection rules. The Company is subject to consumer protection obligations under federal law and, to a limited extent under North Dakota state law as a telecommunications carrier subject to North Dakota Public Service Commission regulation. These obligations include, but are not limited to, the following: (1) adherence to state requirements that the Company complies with consumer protection and service quality standards pursuant to North Dakota Administrative Code Article 69, including customer requests for lowest price

<sup>1</sup> *Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) (“*2005 ETC Order*”).

<sup>2</sup> *Id.* at para. 28.

<sup>3</sup> *Id.* The FCC noted that under the CTIA Consumer Code, wireless carriers agree to: “(1) disclose rates and terms of service to customers; (2) make available maps showing where service is generally available; (3) provide contract terms to customers and confirm changes in service; (4) allow a trial period for new service; (5) provide specific disclosures in advertising; (6) separately identify carrier charges from taxes on billing statements; (7) provide customers the right to terminate service for changes to contract terms; (8) provide ready access to customer service; (9) promptly respond to consumer inquiries and complaints received from government agencies; and (10) abide by policies for protection of consumer privacy.” *Id.* at n. 71.

service alternatives (69-09-05-01), discontinuance of telecommunications services (69-09-05-02), deposits and guarantees (69-09-05-03); (2) truth-in-billing requirements, and (3) CPNI, Red Flag Rules and other applicable federal and state requirements governing the protection of customers' privacy.

The Company is subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3. The Company furthermore complies with all applicable requirements set forth in the *205 Open Internet Order*.

**Consolidated Communications Network, Inc.'s Demonstration of Ability to  
Function in Emergency Situations**

Consolidated Communications Network, Inc. hereby certifies that it is able to function in emergency situations as set forth in §54.202(a)(2)<sup>1</sup> and North Dakota Administrative Code 69-09-05-12. The Company's voice and broadband network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow the Company to manage traffic spikes throughout its network, as emergency situations require.

Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic. The Company's central office can maintain 8 hours, plus or minus 15 percent, of battery reserve rated for peak traffic load requirements, and a permanent auxiliary power unit is installed. The Company has battery backup at all office locations and in its electronic equipment sites capable of running for a minimum of 8 hours, plus or minus 15 percent. Length of run time is determined by the equipment serving the area and the number of customers working out of the equipment. Generators are installed at all Central Office

---

<sup>1</sup> Section 54.202(a)(2) requires ETCs that are designated by the Commission to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

locations. They will continue to run as long as the Company has access to fuel. The Company tests the batteries at least once per year. The Company complies with the FCC's backup power requirements, effective October 16, 2015.

December 2015

Foremost on behalf of the 125 Consolidated employees, we want to inform you of the great new packages the fiber optic cable brings to you!

Technology provides you and your family the entertainment and communication tools to handle the way we live today. Our mission is to ensure we are providing you the best value with the latest technology. You will find we have exciting new packages which include **FREE HD**, up to **3 FREE set top boxes**, and blazing fast **Internet speeds up to 1 GIG x 100M, which is 10 X faster than 100M!**

We invite you to call us to get all the details so you can start saving right away and take advantage of these incredible ways to make your life easier! We will send a technician to your home (NO CHARGE TO YOU) to make sure everything is connected and working properly.

We've included an introductory offer that is **now available**. We want you to see firsthand the benefit of fiber optics and being served by a local company. We look forward to serving you in the near future.

Sincerely,

The Employees of Consolidated
