Oil Pipeline Tariff Filing

E-FILED

North Dakota Public Service Commission
State Capital – 12th Floor
Bismark, ND 58505 - 0480
Attn: Public Utility Division

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) is the following tariff issued by North Dakota Pipeline Company LLC (North Dakota Pipeline):

- NDPSC Tariff No. 25, canceling NDPSC Tariff No. 22

This tariff bears an issuance date of January 27, 2016 and an effective date of January 28, 2016.

Explanation of Tariff Filing

NDPSC Tariff No. 20 was filed October 15, 2015 to establish a new rate for an interconnection at Little Muddy (Ward County), ND from Epping Transmission, LLC. Due to a delay in construction, an amendment to NDPSC Tariff No. 22 was issued, in part, to provide notice of a temporary embargo with respect to movements from this interconnection onto the North Dakota Pipeline. NDPSC Tariff No. 25 is being issued to provide notice of an extension of this temporary embargo due to further unforeseen delays in construction. North Dakota Pipeline anticipates the temporary embargo to last no longer than 3 more months, unless notice is provided to the contrary.

Notification

I hereby certify that the North Dakota Pipeline has, on or before this date, provided copies of the above tariff to each person on the North Dakota Pipeline subscriber list by electronic means or by other means agreed upon.
