PUBLIC SERVICE COMMISSION

BOE Pipeline, LLC
16-Inch Crude Oil Pipeline – Dunn and McKenzie
Siting Application

Case No. PU-16-94

NOTICE OF OPPORTUNITY FOR HEARING

August 5, 2020

On August 17, 2016, the Commission issued Certificate of Corridor Compatibility Number 187 (Certificate) designating a corridor, and Route Permit Number 199 (Permit) designating a route, to BOE Pipeline, LLC (BOE) for the construction, operation and maintenance of approximately 41.8 miles of 16-inch crude oil pipeline and associated facilities in Dunn and McKenzie Counties in North Dakota.

On July 22, 2020, BOE filed with the Commission an Application for an Order of Continuing Suitability, certifying that the corridor and route designated on August 17, 2016, continue to meet the conditions upon which the Certificate and Permit were issued. BOE intends to begin construction of the project no later than August 17, 2024.

The issues to be considered in this matter are

1. Whether the site continues to meet the evaluation requirements and conditions under which the Certificate was issued, and
2. If so, during what time period should construction be authorized to begin?

Those interested are invited to comment in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearing must be received by September 3, 2020.** If deemed appropriate, the Commission can determine the matter without a hearing.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or braille materials please notify the Commission, at least 24 hours in advance.
