**NOTICE OF NONCOMPLIANCE**

**RE: Case No. PU-16-95  
Bakken Oil Express, LLC  
Dickinson Bypass Reroute - Stark County**

The Commission's May 5, 2016, Order on Amending Certificate and Permit in Case No. PU-16-95 issued Second Amended Certificate of Corridor Compatibility No. 100 and Third Amended Route Permit No. 161 to Bakken Oil Express, LLC, for the location of 38 miles of crude oil pipeline in Dunn and Stark Counties, North Dakota.

**As-built GIS data**

Paragraph 31 of the Certification Relating to Order Provisions, attached to and made part of the May 5, 2016, Order, requires that the Company provide the Commission an electronic version of the approved corridor and an electronic version of the as-built facility design specifications within 3 months of the completion of the construction. It appears the Company has not filed this GIS mapping data and is in noncompliance of the Commission's Order.

Staff requests the GIS data be filed with the Public Service Commission by February 25, 2022, to avoid further action due to noncompliance.

Best regards,

Patrick Fah  
Director, Public Utilities Division
