PERMIT NO. PZ16-SU-D

MORTON COUNTY SPECIAL USE PERMIT to allow a meteorological evaluation tower (MET), identified as DM01, within the Oliver Wind III project area in Morton County, North Dakota.

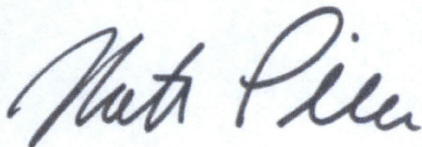

The Morton County Board of Commissioners has granted a Special Use Permit to allow MET DM01 on the parcel identified as 530092000 in the SW¹/₄ of Section 24, Township 140N, Range 83W in the Agricultural (A) zoning district.

This Special Use Permit is subject to the following conditions:

1. The MET shall be constructed at the location indicated in Exhibit B for OLV13252, dated July 23, 2015, of the Oliver Wind III SUP application.
2. The MET shall be constructed to a height no greater than 60 meters (197ft).
3. Oliver Wind III Project shall apply for all approach permits, moving permits, and building permits necessary to complete construction of the project.
4. All terms and conditions of the Morton County Zoning Regulations, as well as all applicable state and federal regulations, shall be met during the construction, operation, and decommissioning of the tower.

Approved by the Morton County Board of County Commissioners on April 14, 2016.
