

Oliver Wind III, LLC

August 23, 2016

Darrell Nitschke
Executive Secretary, Director of Administration
North Dakota Public Service Commission
600 E. Boulevard, Dept. 408
Bismarck, ND 58505-0480

Dear Mr. Nitschke:

Oliver Wind III, LLC (“Oliver Wind III”) hereby provides this notice of intent to modify the site plan of the energy conversion facility authorized by the North Dakota Public Service Commission (“Commission”) in Case No. PU-16-123 pursuant to Paragraph 34 of the Certification Relating to Order Provisions associated with the Findings of Fact, Conclusions of Law and Order issued in Case No. PU-16-123 on June 22, 2016.

Oliver Wind III plans to make the following minor modification to the site plan as reflected in the site plan filed with this letter:

- An alternate access road from Turbine 7 east to 31st Avenue was added to address a health and safety line of sight concern raised by Morton County for vehicle approaches. The attached site plan shows both roads for flexibility, but only one access road and turbine (either turbine 24 or Alt 2) is planned to be constructed. This approach minimizes disturbance, particularly on the potential Dakota Skipper habitat in the vicinity shown on the site plan map.

Please feel free to contact me at with any questions at 561-694-3193.

Best regards,

Tyler Wilhelm
