In re: Oliver Wind III, LLC  
Oliver III Wind Energy Center  
Case No. PU-16-123, Aircraft Detection Lighting System Status Update  
Our File No. 035218-00029

Dear Mr. Fahn:

Pursuant to your request dated December 19, 2019, Oliver Wind III, LLC (“Oliver Wind III”) provides the following status update regarding installation of the Aircraft Detection Lighting System (“ADLS”) at the Oliver III Wind Energy Center located in Oliver and Morton Counties, North Dakota. The ADLS has been installed at the Wind Energy Center. Test flights occurred yesterday and fine tuning of the system is currently occurring. The ADLS is anticipated to be commissioned for operation and fully functioning by today, December 31, 2020. A supplemental notification confirming the status of the ADLS commissioning will be filed in advance of the Commission’s lighting mitigation work session noticed for January 2, 2020.

Please feel free to contact me with any questions.

Sincerely,

**CROWLEY FLECK PLLP**
