**RE: West Safety Communications Inc.  
Notification of Company Name Change**

Dear Mr. Kahl,

The original and one (1) copy of this letter is submitted on behalf of West Safety Communications Inc. ("Company") to notify the Commission that the Company has changed its name to Intrado Safety Communications, Inc. The Company respectfully requests that the Commission issue an updated certificate, if applicable, to reflect the Company's name as "Intrado Safety Communications, Inc." and change the Company name in all Commission records. The Company is authorized to provide facilities-based competitive local exchange and interexchange telecommunications services in North Dakota pursuant to authority granted in Case. No. PU-2598-01-511.

A copy of the Company's name change filing on file with the North Dakota Secretary of State is attached hereto as Exhibit A.

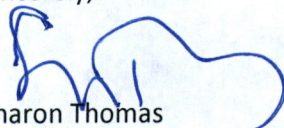

Additionally, an electronic update to the Company's registration is being submitted via the Commission's website.

The Company has changed its name as part of a recent rebranding and marketing campaign by its ultimate parent company, Intrado Corporation f/k/a West Corporation. The Company's name change does not entail any restructuring, merger or other transaction impacting the corporate existence or management of the Company. Customer notice is not required because the Company does not currently have any customers in North Dakota.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to Sthomas@inteserra.com. Thank you for your assistance in this matter.

Sincerely,
