**RE: Plains Terminals North Dakota LLC  
Case No. PU-16-140**

Dear Mr. Fahn:

Plains Terminals North Dakota LLC ("Plains") is in receipt of your letter dated January 13, 2022 alleging non-compliance with the August 17, 2016 order of the North Dakota Public Service Commission in the above-referenced case (the "Notice"). Specifically, that Plains has not filed the as-built mapping documents for the above-referenced project. On January 24, 2022, this office requested an extension for Plains to respond to the Notice. A two week extension was granted, but from the date this office received the Notice on January 19, 2022. Upon receiving the requested extension, this office made diligent efforts to contact Plains regarding the notice. However, e-mail communications to our prior contact at Plains were returned as "undeliverable." This office was not able to reach the correct point of contact at Plains until January 27, 2022. As a result, Plains, due to no fault of its own, has not been afforded sufficient time to evaluate and respond to the Notice. Accordingly, Plains respectfully requests until February 23, 2022 to submit the requested mapping documents as set forth in the Notice.

Should you have any questions, please advise.

Sincerely,

LAWRENCE BENDER
