Thanks for the heads up. We are aware of it. We are planning to get the tests taken to register our service people up there. We will let you know when that happens.

Also, Jenny is no longer employed here. Could you update your records with my contact info? Thanks ☺

Thank you,

Hi Jenny

Scale Center, Inc. will be removed from the North Dakota list of registered service companies that is available on our website and from our inspectors because you currently do not have a registered service person licensed in North Dakota.

After a registered service person is licensed in North Dakota, Scale Center, Inc. will be added to the registered service company list provided all registered service company requirements have been met.

If you have any questions, please contact me.

Thank you!
