RE: Roving Grain Buyer License
Consolidated Grain and Barge Co.

Consolidated Grain and Barge Co. filed a license application to operate as a roving grain buyer in North Dakota beginning June 1, 2016. Consolidated Grain and Barge Co. was established in 1970 and originates and markets grain and oilseed from America's heartland for the export and domestic channels. Consolidated Grain and Barge Co. projects it will purchase 200,000 bushels of grain annually in North Dakota and filed a \$200,000 surety bond.

Consolidated Grain and Barge Co. notified the Commission it has not operated as a roving grain buyer in North Dakota. Statutory compliance has been met and Staff recommends a roving grain buyer license be issued to Consolidated Grain and Barge Co.

Statutory compliance has been filed and Staff recommends the Commission approve the license application. A corresponding Motion and Order are attached.
