RE: Discontinue Business
Overly Co-operative Elevator Company – Overly, ND

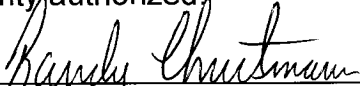

The Commission received a Request to Discontinue Business from Overly Co-operative Elevator Company for its grain warehouse at Overly, North Dakota. This grain warehouse was sold to and will be licensed by North Central Grain Cooperative of Bisbee, North Dakota.

Overly Co-operative Elevator Company has no outstanding storage obligations. North Central Grain Cooperative purchased all of the grain inventory and assumed all credit-sale contract obligations.

Overly Co-operative Elevator Company asked that the request to discontinue business be approved effective June 1, 2016. I recommend the request be approved effective June 1, 2016 and that this action be noticed on the Commission's agenda.

Please sign and date this request which is temporarily approved until the Commission issues an Order on the matter at a subsequent Commission Meeting.

Temporary authority authorized,

Commissioner
