RE: ND One-Call Excavation Notice

Mr. Schock,

This letter is in response to your letter dated June 1, 2016. This is a vacant lot that we have been adding fill to for several years. A one call locate request was performed on April 14, 2016 (Ticket 16025367) I am not sure whether we did a re-spot after that date. The work performed on the date of the complaint was stripping vegetation to prepare for more fill. We did not intend to go within 10 feet of the Enbridge line and sincerely apologize for not notifying them of our work.

Please let me know if you need anything else from me.

Sincerely,

Dean Keller
President
