RE: Discontinue Business  
Dakota Spirit AgEnergy, LLC – Wimbledon, ND

On June 15, 2016, the Commission received a Request to Discontinue Business from Dakota Spirit AgEnergy, LLC, Underwood, ND, for its facility at Wimbledon, North Dakota. Dakota Spirit AgEnergy, LLC notified the Commission it is terminating its' lease and will no longer receive grain at Wimbledon.

In September 2014, the Commission approved Dakota Spirit Ag Energy, LLC's license application to operate a 531,000 bushel grain warehouse license at Wimbledon. Dakota Spirit Ag Energy, LLC applied for the grain warehouse license to secure corn inventories for delivery to its Spiritwood ethanol facility which was under construction at the time.

The Wimbledon facility is empty and has no unpaid scale tickets. I recommend the request be approved. A corresponding motion and order are attached.
