

MEMORANDUM OF ADJUSTMENTS

PUBLIC SERVICE COMMISSION

SFN 17993 (12/2016)

Name of Warehouse Hebron Farmers Elevator Co			Corporation Number 3376
Location PO Box 90	City Hebron	State ND	Date of Inspection 02/14/2018

An inspection of this warehouse and/or the commodities stored there disclosed the following conditions which must be corrected as soon as possible or within the specified time frame. These conditions may also be in violation of state laws or rules. The issuance of this form is a report of the conditions found at this inspection and is not an election by the North Dakota Public Service Commission to be taken.

Inspector's comments are shown in *italics* below each item. Number of items on this report: 1

Item no: 2000

refer to: See Examiner Comments Below

Spot check and examination revealed no deficiencies.

All postings visible.

Wheat storage represented on warehouse receipts.

Corn stocks are company owned.

No outstanding credit sale contracts.

Name of PSC Inspector 2  <i>PAT HITA</i>	Date Prepared <i>2-14-18</i>
---	--

I acknowledge receipt of the MOA. I understand that all deficiencies must be corrected and proof of correction must be received by the Compliance Division within 30 days from the date of this inspection. Failure to respond or an incomplete response received after the deadline will be subject to further action. Proof may be submitted by mail, email or fax.
