RE: CHS, Inc., Adams, North Dakota  
Discontinue Business

The Commission received a request from CHS, Inc. to discontinue licensing its grain facility in Adams, North Dakota.

CHS, Inc. notified staff that this facility has been closed. The facility is empty and there are no unpaid scale tickets or open contracts.

CHS, Inc. continues to operate 53 licensed facilities in North Dakota.

I recommend the request be approved. A corresponding motion and order are attached.
