RE: Cereal Byproducts Company  
Discontinue Business

On July 31, 2017, the Commission received a Request to Discontinue Business from Cereal Byproducts Company for its grain warehouse at Minot, North Dakota. Cereal Byproducts Company notified the Commission business is no longer conducted at this facility effective August 1, 2017. This leased facility was a processing facility, and not a means to store grain for themselves or any other entity in North Dakota. The warehouse is empty and there are no outstanding storage obligations.

I recommend the request be approved. A corresponding motion and order are attached.
